

We Need Your Help!

It is very difficult to know how many animals we can admit in any one week because we are totally reliant on fundraising and donations for our income. Donations by standing order give us a regular income and help us to plan ahead. This is especially helpful when we are asked how many dogs we are able to take from one of the large 'pounds'. The ones we leave behind generally do not have a future. As little as £2 a month can really make a difference to us, please help us to help these unfortunate animals. Just fill in the form below stating the amount you wish to give and return it to us at the address below. Remember – we are all volunteers at Heathlands, we have no wage bill to meet, all money received goes directly on helping the animals in our care.
